FOREWORD

Many factors enter into the process of securing an education. Buildings and equipment occupy an important place among these factors.

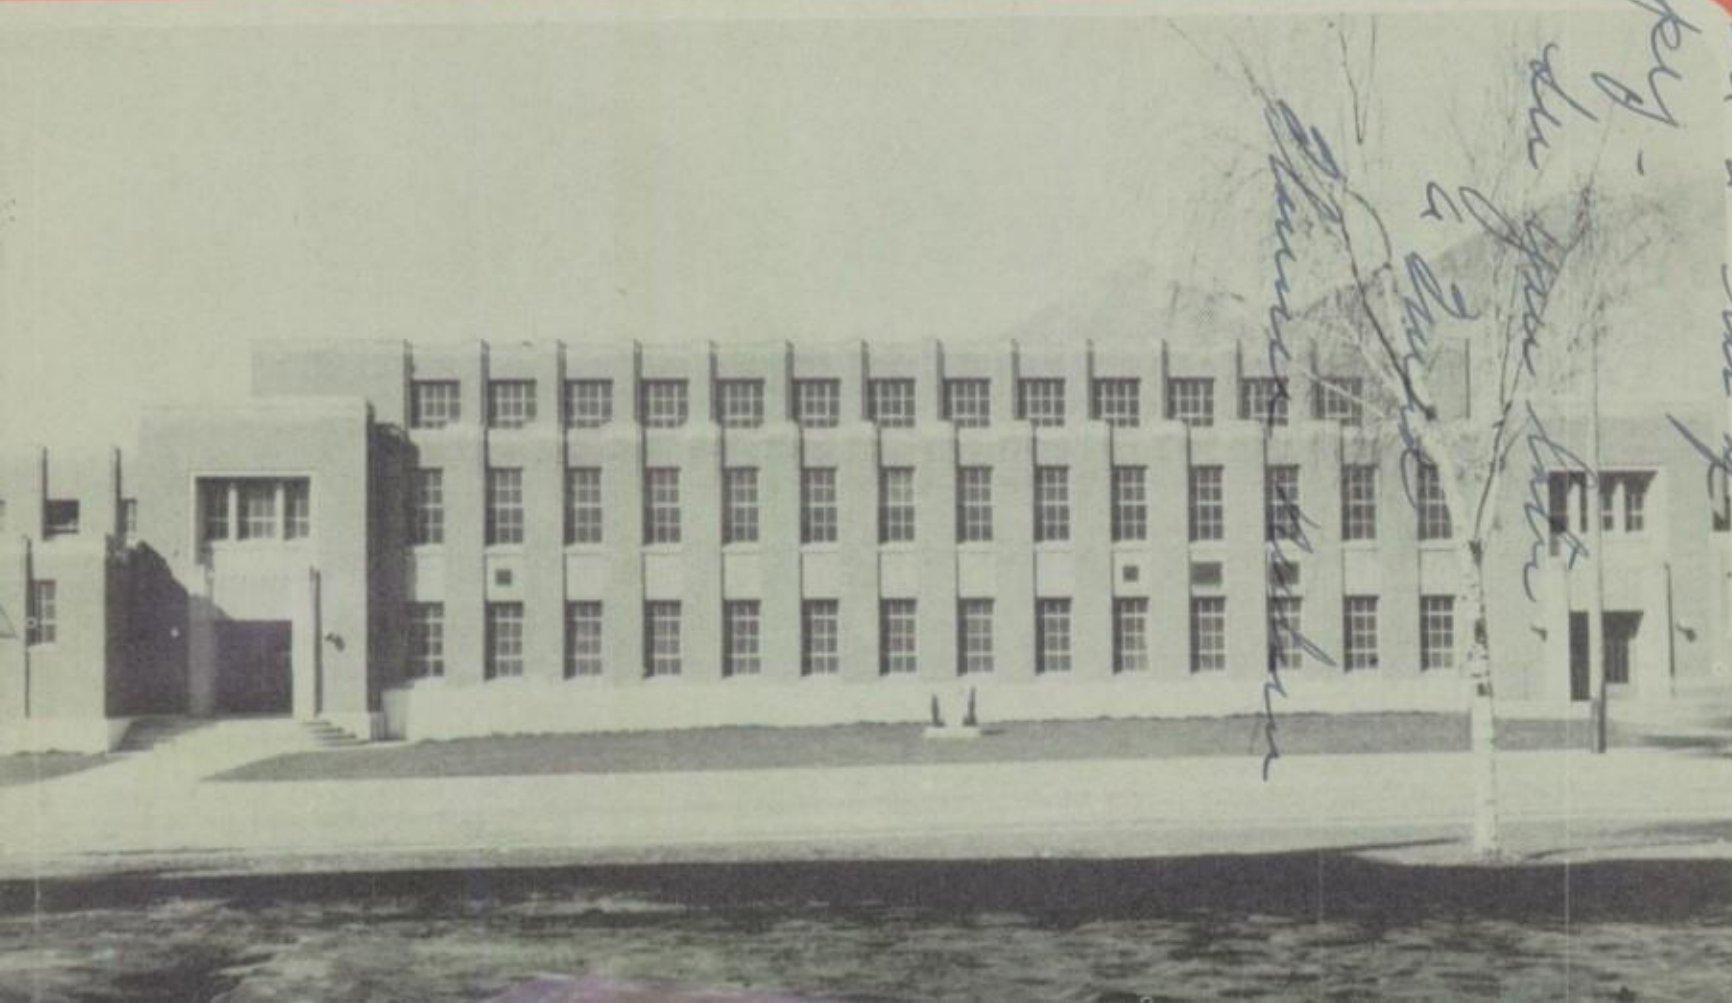

Maragret.
It has been a pleasure to be your
friend. May the future bring you un-
limited joy and success.
W. H. Nelson

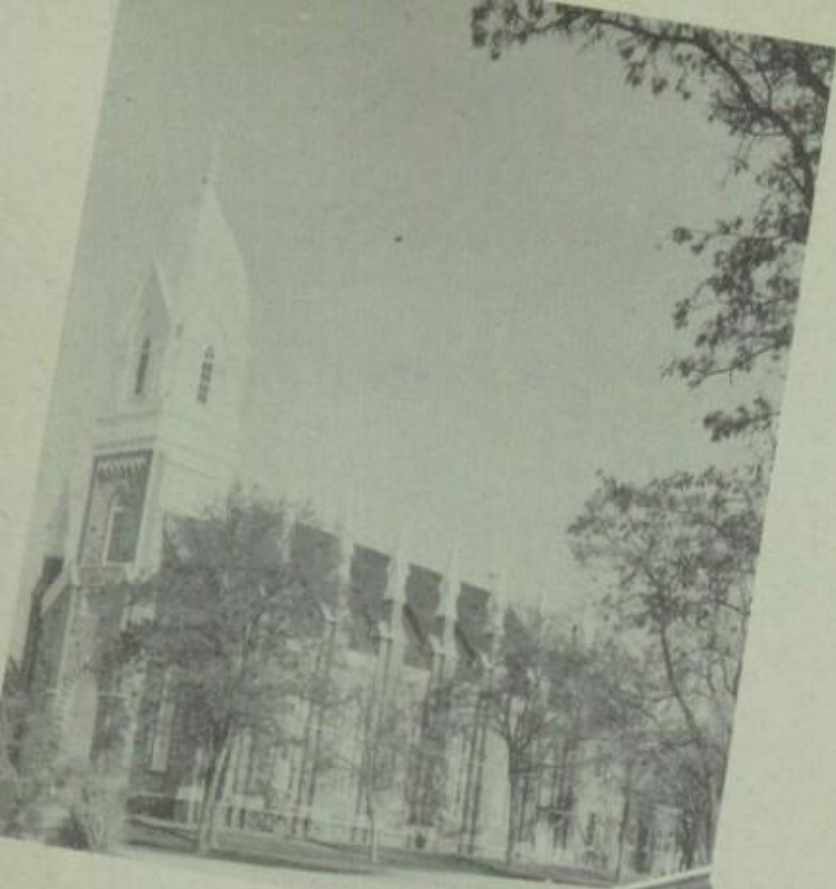

DEDICATION

To our buildings, old and new, for their service and the happy memories they hold, we lovingly dedicate this 1939 Boomerang.

Dear Maragret,
I guess you
now will forget the great time
we had in Am. Wharfing, how could you,
you were as a hot of
fun, and full of play -
the year with,
to August

Live today that tomorrow may bring no regrets. If we can so manage our lives, the future holds much in the way of success and happiness for us.

Our educational system is charged with the task of helping us attain that end. But only by honest effort and real cooperation between the student body, teachers, patrons, and school officials, can Box Elder High School become the honored, beloved, and useful institution we would all have her become. The Board of Education takes pleasure in wishing the students success in their endeavors and happiness in their achievements.

SUPERINTENDENT AND MRS. HERVIN BUNDERSON

Schools, with their many opportunities for student development, are provided at great public expense. If, as a result of your attendance here you are better prepared to live successfully in this great American Democracy, then Box Elder has realized its ideal and met its most sacred obligation.

PRINCIPAL AND MRS. F. A. HINCKLEY

The Board of Education has been generous in building the gymnasium and the science building in the last half dozen years. These will make a great contribution to a more useful and better serving of Box Elder, and with a little more shop space, which can be provided by raising the shop a story as was planned when the shop was built, would complete the building program for a long time to come.

But these buildings and the flaming "B" are symbolical of the great purpose of the school—the building of boys and girls. Let us then, teachers and students, strive together more earnestly to express our appreciation by our efforts to achieve success and to help every boy and girl become his best self with high character, worthy ambition, and fine achievement.

"Build today then strong and sure,
With a firm and ample base;
And ascending and secure
Shall tomorrow find its place.
Thus alone can we attain
To those turrets, where thy eye,
Sees the world as one vast plain
And one boundless reach of sky."

Last Will and Testament

I, Camille Larsen, leave with my debating ability in hopes it will help me succeed as a lawyer or a housewife.

I, Buddy Larsen, leave my mighty stature to Dean Ross.

I, Marion Stratford, leave to become the rush of the sorority.

I, John Reese, have little to leave except my big feet.

I, Doris Phillips, leave my demure manner to Eileen Potter.

I, Morgan Wixom, leave my lost ambition to some poor nut.

We, Jay Law, Karma Kofoed, and Mildred Glenn, leave with the senior class behind us.

I, Douglas Campbell, leave to take the world apart and see what makes it tick.

I, Leon Carver, leave my mental ability (what's left of it) to Gwen in hopes that she may graduate next year.

I, Frank Forsgren, leave with Irene Dial in tow.

I, Dwayne Anderson, leave to step more girls.

I, Margie Lowe, will try to leave.

I, Melvin Griffiths, leave numerous (?) girls in search of higher levels.

I, Sargent Rice, leave Mr. Hinckley to fight time alone.

I, Wayne Bott, leave my best wishes for next year's football team.

I, Helen Zundel, leave my latest edition "Thirty Points Every Girl Should Know."

OUR TRIBUTE

We are proud of our school,
The Box Elder High.
Here the students are loyal and fine,
We think our school the best
Of all in the West.
We'll support her with achievement fine.

As the swift years roll on
And life's problems arise,
We feel we can surmount and pass
them by
Because of the training we receive
In the right way to live

The Box Elder Band of four years ago had a very fine and high reputation. After a lapse of two years it is out to regain that reputation. After a fine trip to the coast last summer the band started school with a determination to become the outstanding band of the state.

There are many graduating seniors who have never been in an outstanding Box Elder Band and they are out to win. So watch Box Elder's Band become the state leader it once was.

Solo preparation develops a real musician. There are nearly thirty members participating in solo work this year. We are very proud of you solo people. You are considered the outstanding members of our band. Each member playing a solo is competing for the ever prized, "Caseman Medal." Also the winning soloist will receive a "B" pin. Most of the people are planning to go out in music in college. We wish every one of you much success in your music work.

These girls are not the winners in the contest for Miss America, though well they might be. They are the four Senior girls chosen because of their excellence in graceful carriage and definite rhythm while marching. This unit has added to the striking appearance of our band for they have performed their duties well. The high mark they have set is unexcelled and a real goal to be attained by the future girls of Box Elder.

The Business of Living

Let me live, Oh Mighty Master
Such a life as men should know;
Tasting triumph and disaster—
Joy—but not too much of woe.
Let me run the gamut over,
Let me fight and love and laugh,
And when I'm beneath the clover,
Let this be my epitaph:
Here lies one who took his chances
In the busy world of men;
Battled luck and circumstances;
Fought and fell and fought again;
Won sometime, but did no crowing;
Lost sometimes, but did not wail;
Took his beating but kept going;
Never let his courage fail.

Compliments of

J. C. PENNEY CO.

Dear Margaret

Well here's another year gone.
just one more. It's been fun having
most of our classes together.
Remember Type and the time
we had getting those horrid
Budgets done. Don't ever forget the
time had getting these things
or should you. Don't forget Sewing
Seminary. Type + Business and English
especially the last with Miss Jensen
and Grant Hard.

Dear Margaret:

I guess we have something in common both having the same name. Haven't we? I think it's a cute name too - Don't you? Of course I would. Huh?

You are sure a sweet kid and a lot of fun. Remember the fun we had with Iwell, I'll, Harold, Deveron, & etc. When Harold and etc. swung us on the bank carner and they hung my purse on that nail & also that man we were so scared of that had that wooden leg.

The sure had fun in sewing - Remember how smart I was. Anyway I thought I was - of course you didn't, nor Zilda. Anyway we still had a lot of fun. Didn't we?

We had plenty of fun the night I went to the Presbyterian Church and you, and Alice came & stood in the doorway & told me you had a boy friend for me and when I got out there it was that old Ben. I could have died. We had fun riding around Ogden with the bums. Didn't we? Remember that street we got on where all the poor people lived & we run into that fence & was kinda scared when they started down that lane in fear. Haven't you?

Remember the night you & I went with Lamont & Raymond Adams. That ice cream was pretty good while it lasted. Remember when you gave Raymond the nose bleed.

Well - I have mentioned enough. You can remember the rest.

You are sure a cute kid. I wish you all the success, happiness, & luck in the world.
Love
As Ever
Margaret Boden
Come & see me this summer.

Dear Margaret,

BOOMERANG
Haven't we had fun in 64 hours.
I don't know what I would have done
without you to help control me. Gee!
Margaret I could fill this whole
page with nice things about you,
but I want to tell you most of all ~~these~~
Margaret don't forget me during the
summer. Miss Beverly Nicholas

(Don't forget to come &
see me to.)

I will be waiting for that letter to
cheer me up.

I hope next year we will be as
close as we have been this year.
We have surely had fun. I call it
on hand to be able to call you my
friend (one of my best).

Success and happiness to one I
think the world and all of you deserve
it.

Dear Mechahella,

Cute, huh? Gee, kid, haven't we had fun this year? I'll never forget. I couldn't even if I tried, but of course I'm not going to try. Remember our last cute little judge at the bar. Some fun - but he didn't like us, I guess. Remember the day we debated at Bear River - weren't we silly? But wasn't it fun? Then over to the A.C. Sh. That was simply perfect. Remember what flirts we were, and what fun we had with Harold and Dale? - Some fun - And then High - Good old Eddie Carter. I'll never forget him - how could I - Duck - more fun - more people killed. Weren't we crazy to get out to Bear River to see those kids after that memorable day? Shaw!

Then at South Cache - that was also very thrilling I'd say. How about you? Remember how we went shipping along with Mr. White? Even though Harold wasn't there I had fun and I'm sure you did too. Next came Stato - what would I have done without you? My, my. I still get angry when I think how long we had to wait for something to eat. It was then we obtained our most precious possession, huh? Very cute.

I know I've acted awfully silly sometimes and hope you don't think too bad of me - but hasn't it been fun acting dumb. I hope we have more success in debating next year - we couldn't have much more fun though - but we'll have to make new friends - they're seniors. I like you just loads & loads. Mechahella (Prissy)

I saw Margaret's
it was fun
having subbing with
you. Try hard to really
show the other school
next year. Don't forget
me. Ellen N.

Dear Margaret
in another year
is another year
ended. I have
4 more and your
class 3. Remember all
together. Remember all
the 6 weeks of summer
to the school. Building to
Marcella & D. at
all the fun in
wishing you success
throughout your life.
Love
Lorraine
